40 YEARS
1985-2025
DEDICATED SERVICES TO THE NEEDY

PROSPECTUS
2026 - 27

According to WHO (World Health Organization) 15% of the total population is disabled as on today, of which approximately 5% people are suffering from speech and hearing problems. But the services available for this special group of people is negligible and there is a scarcity of professionals in India.

HELEN KELLER'S INSTITUTE OF RESEARCH & REHABILITATION FOR THE DISABLED CHILDREN is a voluntary Organisation committed for the cause of Education and Rehabilitation for the children with disability in both Telugu speaking states. The Organisation has been extending its services for the last 40 years. As a part of man power development services, it has started B.ASLP 4 years Rehabilitation professional course during the academic year 2002-03 at Secunderabad, Telangana State. This institute is affiliated to Osmania University, Hyderabad and Approved by Rehabilitation Council of India (Govt. of India), New Delhi.

B.Ed. Spl. Edu. (HI) was started in the year 2005-2006 to meet the demand of the Special Educators in teaching the Hearing Impaired in the state. Then the institute upgraded by starting post Graduate course in Speech & Hearing (MASLP) during the year 2008-09. The same has been upgraded by bifurcating MASLP into M.Sc. (Audiology) and M.Sc. (Speech & Language Pathology) during the academic year 2018-19, in order to upgrade the services

more advanced in the field of Speech & Hearing. That would be helpful in conducting research and development in the faculty. This is the only college offering M.Sc. (SLP) course in both Telugu speaking states as on today. B.Sc. Clinical Psychology(Hons.) course started from the academic year 2025-26. The students are eligible to get post metric scholarship from their respective state governments. The post graduate students of our college have been honoured with merit scholarship of Rs. 80,000/- each by TATA Trust Foundation for the last 3 consecutive years and added a glory to the institute.
